

- SIXTY MILLION FRENCHMEN -
(Slinger Francisco alias Mighty Sparrow)

Couplet 1:

Hey!
You say that you love
And you'll give your heart
But you have a whole body
Why not give this part?
When a love is true
There nothing you wouldn't do
The French people know the trick
So they have everybody lick

Refrain:

**They say is Napoleon who start this thing
Every other Frenchman only copying
People used to always say how it shouldn't be
Now this thing is rampant here in this country
Long time when you catch a man
Committing this crime
The first thing he will say "Oh gosh, boy! First time!"
Nowadays he making his excuse in song,
Singing
Sixty million Frenchmen could not be wrong!**

Couplet 2:

It's easy to say:
"I love you my dear",
But you have to prove to her
Your love is sincere.
There's only one way
So hear what I say:
If you want to keep your sweetheart
Go to Martinique and learn the art

Refrain:

**They say is Napoleon who start this thing
Every other Frenchman only copying
Hear them social [?] and them, who you talking to? Me?
Now this thing is rampant here in this country
Long time when you catch a man
Committing this crime
The first thing he will say "Oh gosh, boy! First time!"
Nowadays he making his excuse in song,
Sixty million Frenchmen could not be wrong!**

Couplet 3:

All over the place
People carrying-on
Especially them old time calypsonian
They like the fun
I never catch none
Publicly tell me about one
And I don't intend to rest
In the picture in the Express

Refrain:

**They say is Napoleon who start this thing
Every other Frenchman only copying
People used to always say how it shouldn't be
Now this thing is rampant here in this country
Long time when you catch a man
Committing this crime
The first thing he will say "Oh gosh, boy! First time!"
Nowadays he singing you a brand new song,
Wha' the song is:
Sixty million Frenchmen could not be wrong!**
